

Epson TM-T88VII

Single-station Thermal Receipt Printer

Receipt Printer

POS

The fastest POS receipt printer¹ with advanced connectivity and online ordering capability.

Ultra fast transaction times — industry-leading print speeds up to 500 mm/sec¹ and high-speed auto cutter

Reliability you can count on — 4-year warranty; easy-to-clean, water-resistant enclosure; long printhead and auto cutter life²

Connect to multiple devices simultaneously — using multiple interfaces, printer can be dynamically shared by PC-POS terminals, tablets and mobile devices as well as cloud servers

Multi-interface support — built-in USB and Ethernet, optional serial, powered USB, parallel and wireless connectivity ensure maximum flexibility and futureproofing

Secure wireless connection — supports the latest Wi-Fi® security standard (WPA3)

Online ordering ready — Server Direct Print technology allows the printer to retrieve orders from a web server and print a receipt without requiring POS software integration

POS peripheral support — supports POS peripherals including barcode scanners, customer displays, and more

Easy setup and configuration — streamline the setup and replacement processes using Epson TM Utility; vertical mounting kit provides flexible configuration options

Easy to understand — status LEDs and network diagnostic sheet improve on-site network troubleshooting

Advanced paper-saving functions — top-margin and character-height reduction features help reduce paper usage by up to 49 percent³

1 Compared to single station thermal receipt printers available in the Australia & New Zealand as of August 2021, based on manufacturers' published specifications. Speed based on using 80 mm wide media only and Epson's PS-190 or PS-180 power supply. Configurations not including the PS-190 or PS-180 will have a default print speed of 450 mm/sec. | 2 Rated printhead and cutter lives are only estimates based on normal use of the printer with the following media only, with printer operated at room temperature and normal humidity: Model KT55FA: Papierfabrik August Koehler SE; Model PD160R: Oji Imaging Media Co., Ltd.; Model TF50KS-ÉY: NIPPON Paper Industries Co., Ltd. Epson's statements about reliability levels are not warranties of the media or Epson's printers, and the only warranties for printers are the limited warranty statements for each printer. See www.epson.com/testedmedia for more information on Tested Media. | 3 Paper savings depend on the text and graphics printed on the receipt. | 4 NFC tag requires use of a device that includes NFC reader, and may require additional software.
