Instructions

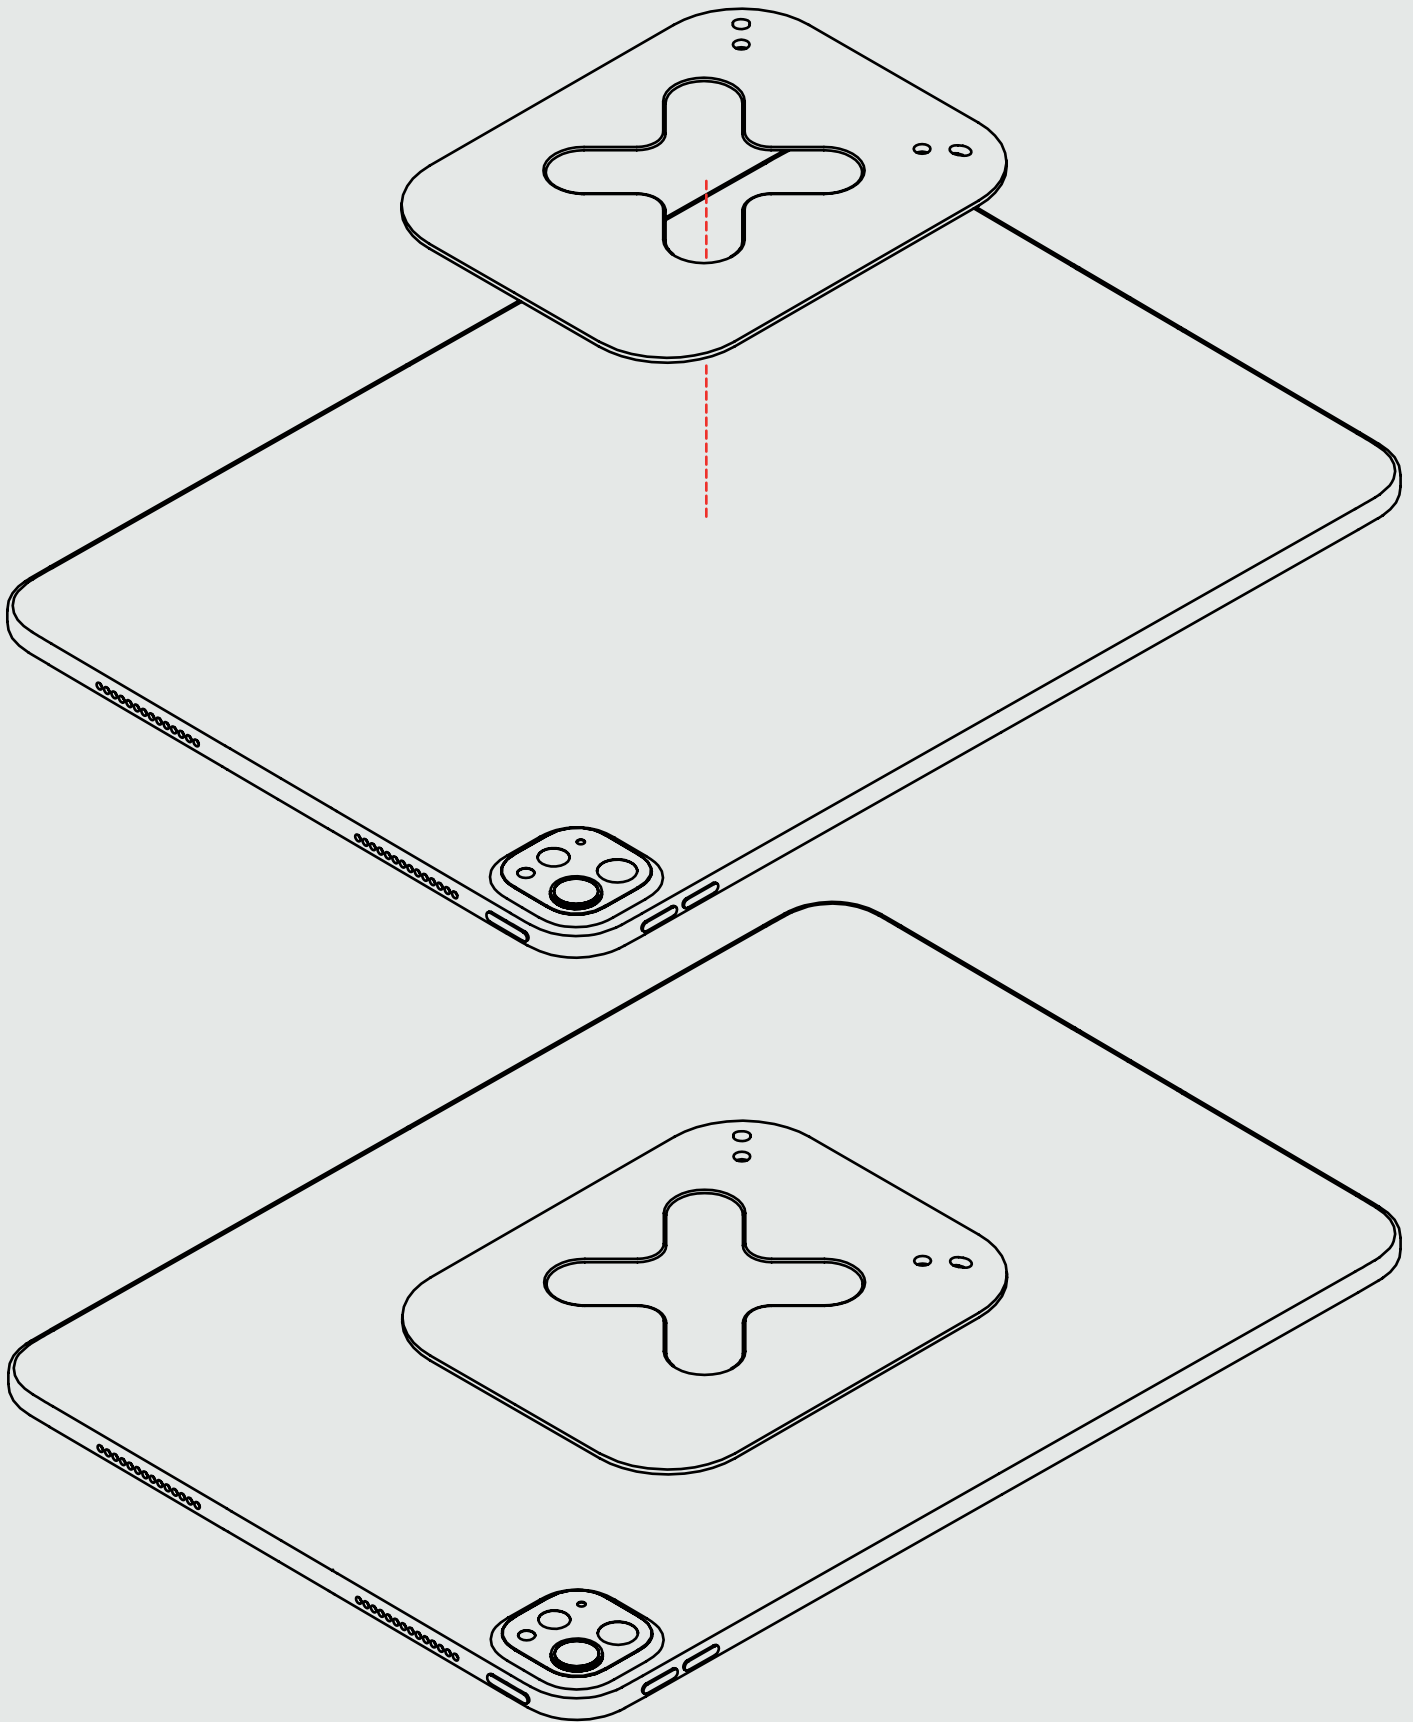

Step 1:

To mount your Connect Adapter to your chosen tablet begin by gently removing the 4 adhesive films using the pull tabs as shown below

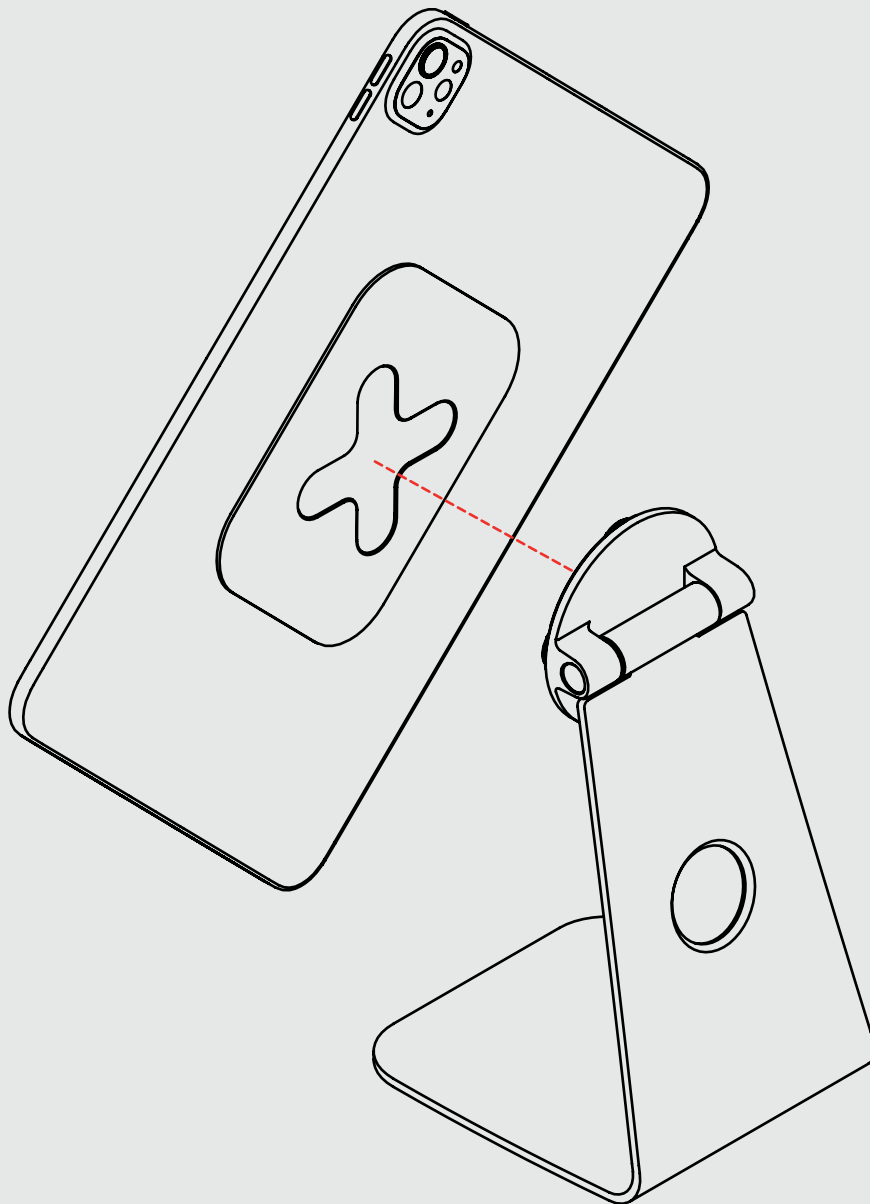

Step 2:

Carefully align and place the Connect Adapter on to the chosen tablet. Apply steady pressure for 20-30 seconds to ensure a strong bond.

Step 3:

Position the tablet onto the mount surface of the Pivot Stand at a 45° angle, ensuring the X-shaped cavity on the Connect Adapter aligns and seats correctly with the corresponding X-shaped detail on the stand.

Step 4:

Once seated, rotate the tablet 45° until a click is heard.
