

Universal Hand Strap

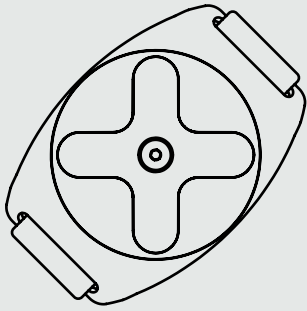

PROPER

User Guide

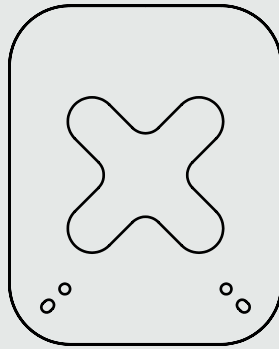

What is Included

1x Hand Strap

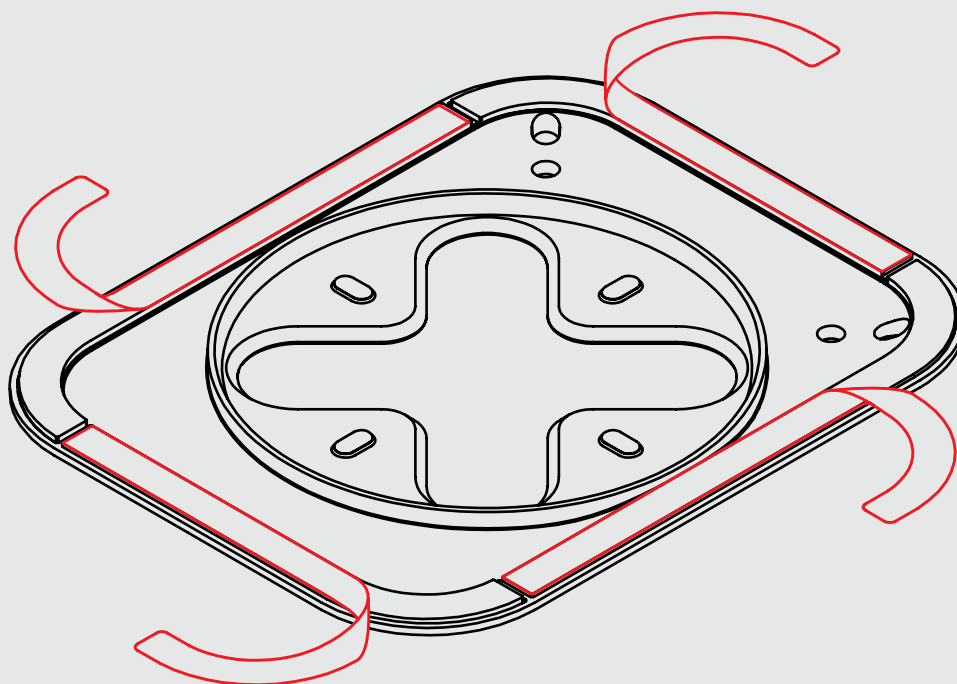

1x Connect Adapter

Instructions

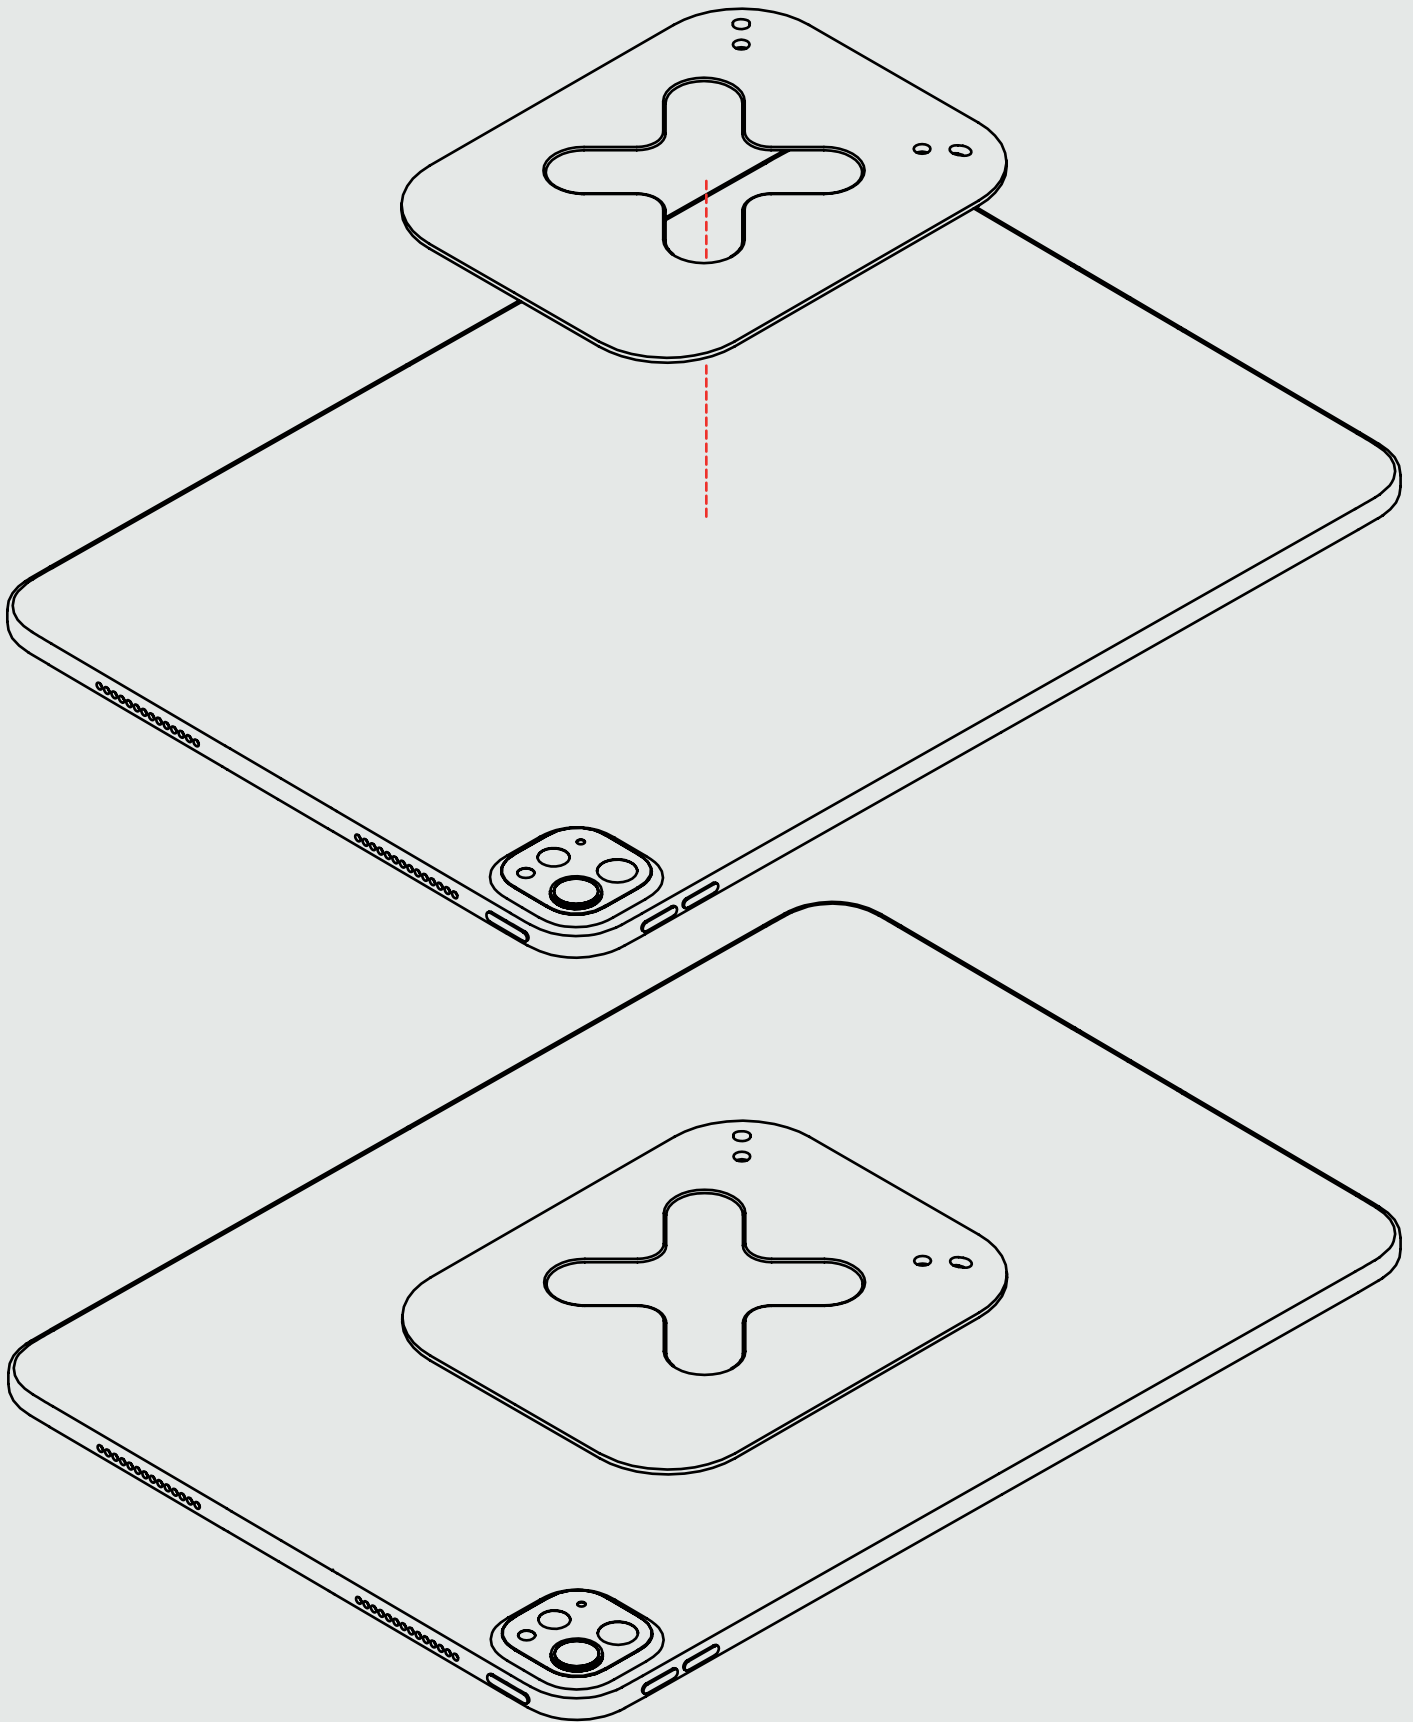

Step 1:

Begin by gently removing the 4 adhesive films using the pull tabs as shown below on your Connect Adapter.

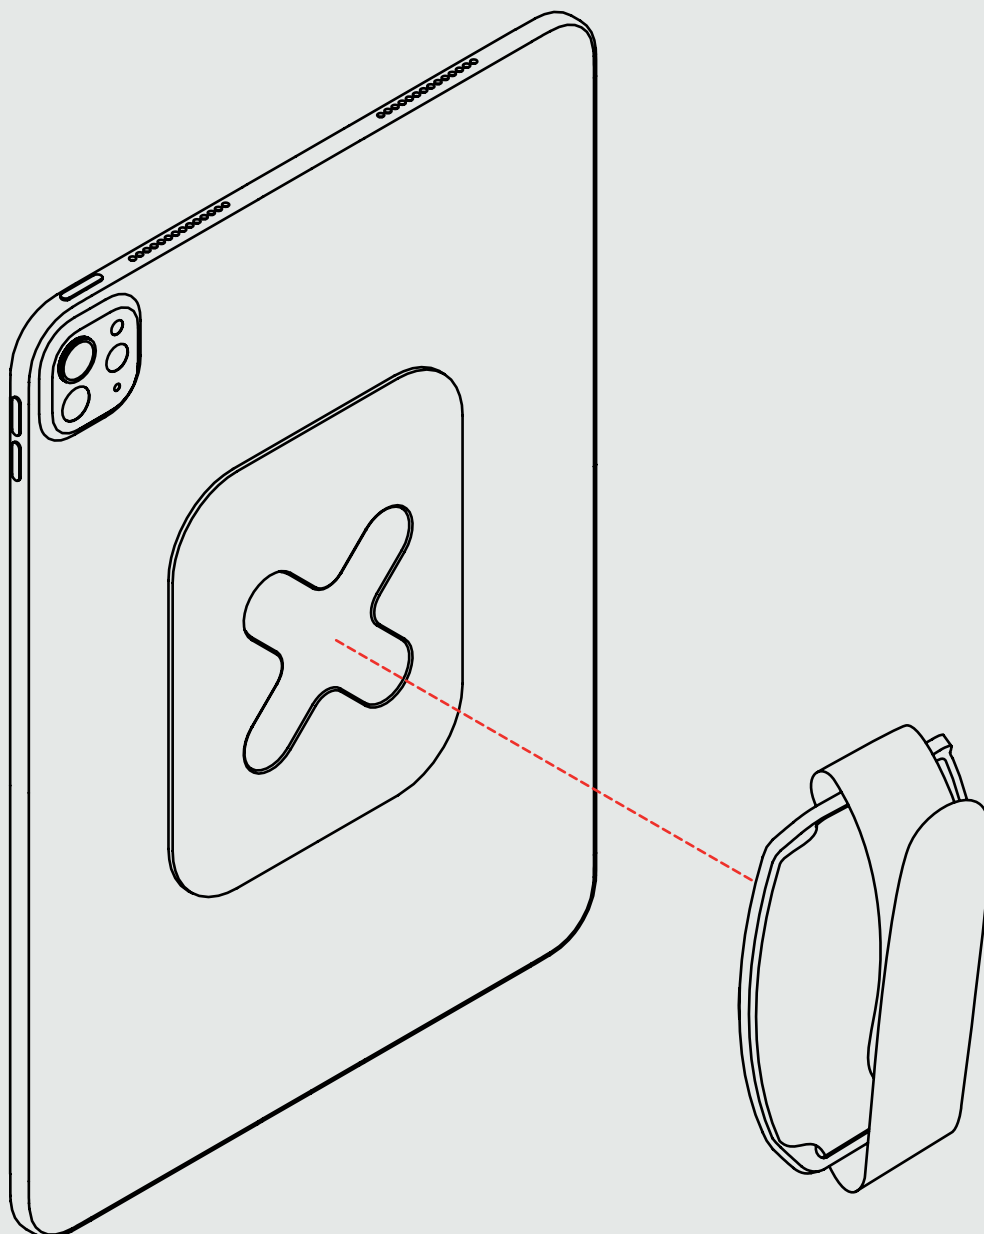

Step 2:

Carefully align and place the Connect Adapter on to the chosen tablet. Apply steady pressure for 20-30 seconds to ensure a strong bond.

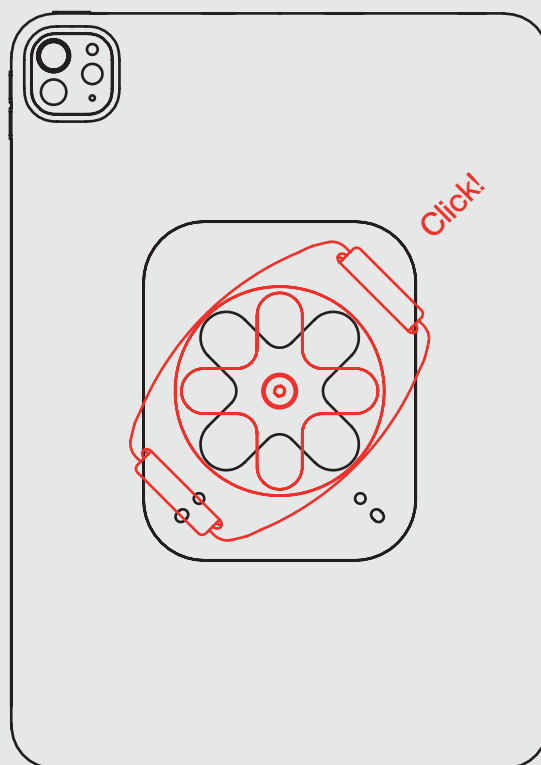

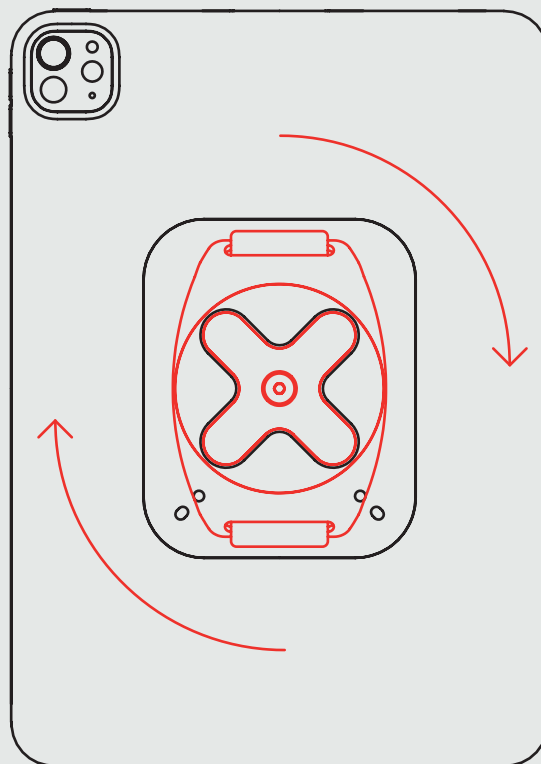

Step 3:

Position the Hand Strap onto the mount surface of the Connect Adapter, ensuring the X-shaped cavity on the Connect Adapter aligns and seats correctly with the corresponding X-shaped detail on the strap

Step 4:

Once seated, rotate the Hand Strap 45° until a click is heard.

Step 5:

Adjust the Velcro straps to fit, then use as shown below.
